### **PROFESSIONAL PROFILE:**

Chris Curran has over 12 years of commercial real estate experience and has been involved in multiple leasing transactions for the over 5 million square feet of office, warehouse, flex and retail space owned by R&R Realty Group in the Des Moines area. Chris' focus is providing leadership in creating and implementing strategies to achieve maximum occupancy for R&R's office properties. Additionally, Chris has provided tenant representation and brokerage services for a variety of clients. Chris is dedicated, professional and a successful relationship builder and problem solver. These abilities along with his strong local market knowledge have been beneficial in working with several top local, regional and national companies and organizations in finding creative, strategic and economically beneficial solutions for their real estate needs.
